FT. SMITH TRAIN SERVICE EX-SECRETARY IN SIXTH SCORED; PLANS FOR BUSINESS REVIVAL

The meeting of retail merchants at the chamber of commerce last evening was well attended and was one of the busiest and most enthusiastic merchants' meetings held for a year or two.

BERLIN CROWDS HOOT AMERICA IN THE STREETS

DEMONSTRATIONS IN DIFFERENT QUARTERS ARE QUELLED BY POLICE

PRESS AND OFFICIALS PLEASED WITH NOTE

OR RATHER WITH THE CONCILIATORY TONE OF THE DOCUMENT

(By Associated Press.)
Berlin, June 12.—Demonstrations took place at several points in Berlin today against Americans.

Police dispersed the crowds. While the German populace is against acceding to the American demands abolishing submarine warfare, official Berlin and the press are quite pleased with the conciliatory terms of the American note.

The American note, though printed in full and given the greatest prominence in the Berlin newspapers, was not accompanied by editorial comment.

The headlines of the newspapers varied in wording, but were similar in tone. Among the captions were:

"America Standing Firm."

"A Very Solemn Warning."

"Grave American Warning to Germany."

"A Grave Appeal."
The Vossische Zeitung says "the note probably will not be answered sooner than two weeks, because the arrival of Dr. Anton Meyer Gerhard, with special messages from Count von Bernstorff, the German ambassador at Washington, to the German government must be awaited. His arrival is not expected before the 27th, and the answer cannot be prepared until after this."

The note has been well received in official quarters.

FLAG DAY PARADE TO BE IMPRESSIVE

EVERY SCHOOL IN THE CITY WILL BE REPRESENTED; PROGRAM FOR DAY

The Tulsa World of yesterday says: "Every American citizen in Tulsa can be counted on Monday, June 14th, by counting the business houses and homes that display Old Glory on that day."

The same will be true of Guthrie. Every true American citizen who cares for his country and its future peace and prosperity will show his colors on that day. If they don't like Old Glory and what it stands for, hang out the colors you stand for. Guthrie wants the children who march on that day to see your colors and to know where you stand.

In the work of preparing for the proper observation of Flag Day all but a very few of our citizens who have been asked for a small contribution to help defray the expenses have cordially and liberally responded, and they are very warmly thanked. Guthrie is going to have a great and joyous celebration of this anniversary day of the birthday of the most beautiful, honored and universally respected flag ever known in the world's history. It has been nationally, by state and city declared that the day should be observed. Guthrie will have a great parade of the school children of the city in the afternoon. All are invited to assemble at Mineral Wells park at two Monday afternoon. At that time an appropriate program will be given, largely devoted to the Flag Day theme. While the children are to be given the right of way, all older people will be greatly benefited by this annual observation of the birthday of Old Glory.

The parade will form very promptly at one o'clock Monday afternoon. Bands of martial music will be distributed through the parade. The Banner, Colter and High schools will form in school organization on Oklahoma avenue. The Capital Hill school will form at Broad and Harrison, facing north. Central will form on North Broad, facing Oklahoma avenue.

The veterans will assemble at Odd Fellows hall at one o'clock sharp, and will move to the head of the parade at 1:15 promptly. When the head of the column reaches the corner of Harrisop and Division the veterans who care to do so may drop out and board the cars for the park.

Every school must be in line, fully organized and officered, color bearing.

POTATO CROP IN COUNTY AND STATE IS LARGE

Reports of the potato crop in Logan county and in the state at large, are to the effect that there will be about nine hundred thousand bushels from 9,000 acres in this county and the Arkansas River Valley district of the east side. Marketing will begin about June 14. Except in the region south and east of Webbers Falls, the crop will be up to the average. The crop is about ten days later this year than the seasonal average, and this is expected to result in a slightly lower price than is usually obtained. The crop will come into competition with the California and Virginia crops, which generally come along a little later. The crop is sold on board the cars and the business is practically all cash.

VILLA URGES MEXICAN UNION OF ALL INTERESTS

MEXICAN CHIEFTAIN OFFICIALLY ANSWERS NOTE OF PRESIDENT WILSON

ORGANIZE AND UNITE SLOGAN TO LEADERS

REBEL GENERAL ASSURES WILSON HE DESIRES CESSATION OF WAR

(By Associated Press.)
El Paso, June 12.—General Villa, in a note to President Wilson, brought here today by Manuel Bonilla, expresses his willingness "to invite a new union of all Mexicans to work together to insure the triumph of the revolutionary principles of the agrarian problem and extension, and of instruction among the poorer classes."

Another note signed by Villa has been dispatched to General Carranza, asking the latter to agree to a conference of the leaders of Mexico to "unite and reorganize."

The note states the propositions are being placed before Emiliano Zapata and Roque.

Spokesmen for the Villa element already have indicated that their chief stands ready to co-operate in a peace movement. A reply from General Carranza is momentarily expected by cable through Consul Stillman at Vera Cruz.

No definite news reached Washington from Central Mexico, where Obregon, the Carranza commander, and Villa are believed to be engaged in their final battle. The Carranza agency still claims that Obregon has won a great victory, but the Villa representatives insisted there has been no fighting of consequence since the Carranza forces were driven from Salto last week.
